Waiting Area  
Common Area  
Restroom Floors  
Kennel Suite Floors

### Microfiber Flat Mop System

The flat damp mop pad grabs and holds dirt and grime. The spaces in the pad allow for large amounts of moisture to be collected making the pad very absorbent.

The Microfiber Flat Mops can be washed and reused hundreds of times, creating a more sanitary protocol and greatly reducing the cost of replacing traditional mops.

Low profile access

Easy mop removal

Isolation

Surgical Room  
Treatment Room  
Examination Room  
Recovery Room
